Greeter/Invocation: Today's greeter was Tom Hanks. Tom led us in a thoughtful invocation and the Pledge of Allegiance.

Attendance: Roger Button thanked Jeff Pick and Jack Kurschner for their assistance today. And he welcomed Joe Pokorney back. Roger said there were about 35 in attendance, and 13 on Zoom. Two guests today: Charlie Mills introduced Vickie Moser of Building Strong Futures School, and Lisa Reese introduced Rob Gase, both potential members.

Announcements: Jeff Pick presented Joe Pokorney as a Major Donor to the Rotary Foundation. This is a minimum $10,000 donation, and he received a pin and a plaque. Thank you, Joe, for your commitment to the good work of Rotary International. Please see Jeff Pick if you would like to join or boost your PHF commitment.

New Member Induction: We welcomed Mike Kenyon (classification: communications) today. Mike is already on the agenda for a classification talk! Please take a moment to introduce yourself and welcome Mike to our club.

Immediate Past President Matt Britton announced the upcoming “Ride For Rotary” is scheduled for Saturday, Oct. 23 at 8:30AM. It is a 20, 10 or 5-mile ride, kid and family friendly. Brew Burgers and Auntie Anne’s pretzels will have food trucks there, and there will be post ride beverages, beer and live music. Sponsors are needed and flyers will be going out next week. Let Matt or Dave Pankiw know if you would like to be a sponsor or participant.

Please don’t forget to collect “Soap for Hope”. Steve Boone is collecting our donations for Family Promise this year. Flag Across Venice-Nokomis: Jay Kasmark began by thanking Roger Button for the front-page article in the Gondolier this week, which garnered 15 more accounts for next year. Jay
estimated we will begin next year’s program with 500 flags! Labor Day is the next installation and the flags will stay up through 9/11 to honor the 20th anniversary of the 9/11 attacks. Jay thanked all the hard-working flag volunteers. If you would like to help, please see Jay or Jack.

Doug L reminded us that Rotary Futures Comedy Night, their major fund-raiser, has been cancelled. In lieu of the event, there will be a silent auction beginning Saturday, Aug. 28. Doug reminded us that Rotary Futures is our club’s signature program, and that many of our fellow Rotarians (George Carpenter, The Boone Law Firm, Young, Hanks and Hanks, Picazio Family, etc.) have been major donors as well. Look for an email from Susan regarding the silent auction.

Susan announced that Saturday, Oct. 16 is our Rotary Community Service Day. We will be volunteering at Challenger Baseball’s new Field of Dreams at 4:30 PM. Circle that date and plan on participating. You won’t regret it!

She also reminded us that the Yacht Club will be closed for annual maintenance in September. We will NOT be meeting at the VYC on 9/9 and 9/16. There may be an alternative venue for lunch, so stay tuned. And the Snyder’s, well Maureen really, not Chuck, have offered their lovely home for our annual Christmas party. More details to follow.

There are still spaces in the E-Spray for your business card ad. The cost is a very reasonable $60- please let President Susan know if you’d like to place an ad. Let’s all support our fellow Rotarian’s businesses.

Don’t forget to wear your Rotary pin or Rotary swag when you are out in our community.

Sunshine Report

Jeff Pick, filling in for Barb, announced that Rotarian Rick Szweible lost his Father-In-Law recently.

Cart Talk

Jane Mendola began today’s CART presentation with the sobering fact that every 65 seconds, another American is diagnosed with Alzheimer’s disease. She then reminded us that every 3 seconds, an ALZ diagnosis is made worldwide. It is a mission of RI to eradicate this horrible disease.

Jane presented the first of “Worst Habits For Your Brain”, which will be a continuing series.

Accentuating the Negative: Ruminating on grudges, resentments and negative thoughts won’t just keep you in a pessimistic mood, it has also been linked to a decline in cognition and memory in people 55 and older. In a recent study, participants that frequently dwelled on negative thoughts showed an increase in the amyloid and tau plaques, the biological markers for ALZ. Everyone has negative thoughts at some time, but it is also a behavior that can be changed. The creator of an anxiety relief app called “EMMA” has some tips for relieving this negative anxiety. The next time you are overwhelmed by negative thoughts you can do the following: make a list of 5 specific things that you are grateful for, make sure to say “thank you”, take deep belly breaths, or try a new task to change up your environment.

Jane will have more bad brain habits in the coming weeks. She reminded us to be generous to the blue buckets, and “chuck in a nice large contribution.

Camille Cline, Deputy Director of Development for Venice Theatre

Camille, an old friend of our club, hails from the Shenandoah, VA area and is a UVA alumni. Camille moved to Venice in the 90’s to raise her family here. Among her many attributes she was the director of strategic philanthropy for the Education Foundation of Sarasota County and worked on the capital campaign fundraiser for the Venice Public Library.

Camille began with a “fly-through” view of the architectural rendering for the new Arts Education Building (the former Hamilton building) next to the KMI Bridge that will be converted into workshops, studios and offices, and renovating the old ABC liquor store into a new production building. There are also major upgrades to the existing theatre, primarily in the lobby and parking lot. The Venice Theatre is hoping to establish an “Arts District” with this new campus. Part of the new branding includes a new blue color throughout the mainstage theatre. The Next Act Capital Campaign began with a goal of $2.5 million, which was achieved in March, 2020 thanks to some very significant donors. Just then, the pandemic struck, and live theatre was put on hiatus. The Venice Theatre board decided to pursue further investment and upgrades during the theatre’s closure, and the new goal is now $4.5 million.

Venice Theatre is in its 72 year and is the 2nd largest small community theatre in the country. They are hoping to open the mainstage for live shows in September, 2021. They are very excited about the economic impact that the new building will have on the community. The timeline, pandemic edition, was adjusted so that the launch of the new capital campaign began in Spring 2021, the new lobby dedication will be sometime in
fall 2021, and the grand opening will be in 2022. The theatre runs 340 days a year!

Some of the changes that you will see: the box office has been replaced with a lounge and a new second bar. Camille shared that 95% of ticket sales are phone-online. There will be a new Assisted Listening system via a smart phone app for patrons who wear hearing aids. There are new restrooms as well as a new stage lift for the actors. The new studios in the Arts Education Center will accommodate classes and rehearsals and has state-of-the art sound booths and production. The old ABC lounge will be converted to the Technical Arts Building, where the stage sets and costuming will be constructed and designed. There is now more space for prop storage, and the design studio has a welding hood, chop saw, miter saw and table saw stations. There will be a dedicated space for painting only. They are hoping to put murals on the exterior of the building. Camille stressed that the fundraising never stops! Donors and sponsors will be recognized on the scrolling entry monitor in the Venice Theatre lobby, and permanent donor recognition will be reserved for those who name a space. Donor names will be featured on the website, and will receive event shout-outs, special invitations to construction milestones, and mentions in collateral materials and e-communications to the public. There are many partnership opportunities available.

Thanks you Camille for bringing us the exciting information on one of our most treasured institutions! You can contact Camille Cline at 941-539-8872 or camille@venicetheatre.net.

Rob Fish commented during the Q&A that murals would be a welcome sight in Venice. And Camille gave a big “Thank You” to all of our Rotarian donors and sponsors and Barb Freeman for her tireless advocacy. She then pulled some lucky theatre ticket winners from a bowl. The winners were Lisa Reese, “Almost, Maine”, and Matt Britton and Julia Stalnaker “The Great American Trailer Park Musical”.

The Jack & Roger show announced $1308 in the pot with 29 cards remaining. Julia Stalnaker had the lucky blue ticket but pulled a Queen of spades. Awww...

Jeff Boone started with advising our guest speaker Camille Cline that she should have led the program by just announcing that a second lobby bar had been installed... it would have gotten everyone's enthusiastic attention! "Know your audience"! Rob Fish was fined several dollars for his 50/50 ticket malfunction, and Mike Sundaram was fined for stealing Jeff’s badge. Susan remarked that she had seen “The Great American Trailer Park”, but her son Tom remarked that she was just confusing it with Nokomis. Joe P paid a happy $10 to be back, and Larry was fined for avoiding the New England hurricane. Kevin Hanley, who just dropped his daughter at Auburn, was told that at Auburn, the “N” stands for Knowledge! Father Chris Gray received a new haircut fine, and Chuck Snyder was fined for sitting at the wrong table. Chuck objected that none of the "Old Guys", except Don, were there, and Don Lazarus replied “Don who?” . Jack K received the history fine for the Allied liberation of Paris today, and then disappearing into Paris for 30 Days. Mark Beebe was fined for dropping a full keg of beer on Jeff Boone's head during a UF fraternity party (many, many years ago), and many dollars were paid by those who remembered the rotating bar at the old ABC liquor store on Venice Island. Matt Britton had to pay for his father’s involvement in past musical chairs at the ABC bar. Jeff Pick and Barb paid late fines.

Happy dollars: Kevin Hanley started with a happy $20 for both being an “empty nester” and his niece Nelly Korda's gold Olympic medal win in ladies golf. Larry paid a happy dollar that Jeff Boone survived his trip to Boston, although Jeff still doesn’t understand the local’s dialect. Julie was happy to have 2 winning tickets today, and Bruce Bench was $10 happy that his son, who is participating in the NYC marathon, was able to raise $3500 and take Bruce off the hook. Don paid an old guy happy dollar. New member Mike Kenyon was happy to be in our club, and Rob Fish was $5 happy to be going to next week’s District grant meeting. Jeff Boone ended with a happy $6 that UVA and UF were rising stars in ranked public schools, and UGA was not even listed!

The meeting ended with the Rotary 4-Way Test

**Paul Harris Society** members pledge to donate at least $1,000 of their own money each year to the Rotary Foundation. That works out to about $84 per month or $2.74 per day. Donations can be made via credit card, bank charge, or with dues payments, and can be made annually, semi-annually, quarterly or monthly. We invite you to become a member. Please see Jeff Pick for more information.

**Paul Harris Fellows** have made a total donation of at least $1,000 (sometimes over month or years) to the Rotary Foundation. After the first $100 has been donated our club matches each dollar donated by our members. That means that a club member needs to donate only $550 to become a Paul Harris Fellow. (Matches are not made for non club members). The 2nd $1,000 donation level earns a Paul Harris Plus 1. The same for each $1,000 up to $9,000 which would be a Paul Harris Plus 8. At $10,000 or more the recognition becomes a Major Donor. Please see Jeff Pick for more information.

**Bequest Society** members commit a legacy in their will to the Rotary Foundation. Recognition starts at $10,000. Please see Jeff Pick for more information.

**Benefactors** pledge to leave at least $1,000 to the Rotary Foundation.

The Venice-Nokomis Rotary Club honors the memory of Rotarian Charles “Doc” Matson and his ideals by awarding two annual awards in his name. ‘Doc Matson served the Venice-Nokomis Rotary selflessly for almost 20 years and he held the world record for continuous perfect attendance of 67 years, 3 months, 3 weeks. The recipients of these awards should exemplify the Rotary motto of “Service Above Self” and be the best possible example of living by the fundamentals of the 4-Way test.
