# Why Sponsor?

For 35 years, the Venice–Nokomis Rotary Club’s Fine Arts & Crafts Festival has been a beloved staple of the community, drawing crowds from across the region. Showcasing the work of more than 100 talented artists, the festival features food, live entertainment, and a vibrant, family-friendly atmosphere that consistently attracts large, engaged audiences.

Area residents and visiting snowbirds alike spend hours walking the grounds, browsing artist booths, listening to live music, and enjoying food and beverages—creating an ideal environment for meaningful brand exposure.

As a sponsor, this festival represents a powerful marketing investment. Your business will gain high-visibility exposure to thousands of attendees over the two-day weekend, with prominent signage throughout the event. In addition, we offer booth space to local community partners, giving you the opportunity for direct, face-to-face interaction with potential customers.

This combination of reach, engagement, and long-standing community trust makes sponsorship a valuable and impactful way to grow your brand.
