

2026 Partnership Opportunities

JANUARY 17-18

Venice-Nokomis Rotary Club Fine Arts & Crafts Festival is a community wide event that focuses on showcasing the work of over 100 Artist's. The festival has food and entertainment where families can come together to have a great time.

Area residents and visiting Snowbirds spend hours walking through the grounds and visiting artist's booths, listening to great music, and enjoying good food and beverages.

As a sponsor, the thousands of people who walk through the Venice-Nokomis Rotary Fine Arts & Crafts Festival will see your signage and products over the two-day weekend. We offer booth space to a select few local community partners. This allows for heavy interaction with guests who attend the festival.

Your message and logo will be included in all Rotary promotional materials for the festival, including social and digital media, print media, radio, and television.

Venice-Nokomis Rotary Fine Arts & Crafts Festival sponsors benefit from inclusion in our robust marketing program that reaches thousands of residents and out-of-state visitors over a nine-month promotional period.

County and statewide prestige of being a supporter of the community, arts, local culture, and arts festival.
